## HOBBIES

## CAREER OBJECTIVE

I'm a disciplined, self-taught Front-end Developer with a design background who focuses on satisfying the end user. I have the proven abilities to be a problem solver, learn skills as they are needed and to bring mockups to fully functional websites.

## EDUCATION

### BACHELOR DEGREE

Bachelor of Business  
in Computer Application,  
Annamalai University (2019)

Certifications:  
Digital Marketing & Social  
Media (SEO)

Higher Secondary Certificate  
Emirates English Speaking School  
Dubai, U.A.E (2015)

## EXPERIENCE

### Front-End Developer

2019 to 2021 | isNumeric DMCC  
– JLT, Dubai, U.A.E

Joined the isNumeric team as a professional Front End Developer, and was fortunate to work on multiple local and International projects.

- Implemented responsive websites, web applications, and landing pages from concept through deployment.
- Standardized all output with a new, responsive, mobile-first approach and strategy.
- Collaborated with product team members to implement new feature developments.
- Assessed UX and UI designs for technical feasibility.
- Maintaining, optimizing, troubleshooting, and improving websites.

### IT Support

2015 to 2018 | Sherwoods Real Estate  
– JLT, Dubai, U.A.E

I was mainly hired as an IT Support/Admin but, really got exposure to other working fields as well such as supporting the HR and the accounts department.

- Setting up new employee's Email, Outlook and desktop workstation.
- Resolve issues related to Windows, network connectivity, as well as problems associated with software and hardware errors.
- Installing software applications, hardware peripherals and devices, update software and hardware drivers as needed, upgrade computers.
- Company website's domain and hosting subscription renewals.
